COMMUNICATION

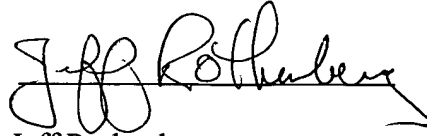

Dear Sir:

On the Notice of Allowability, Applicants' foreign priority claim was acknowledged, but it was noted that a certified copy of the priority document had not been received in the present application.

Applicants advise that a certified copy of the priority application was received by the USPTO in parent application No. 09/704,894 on November 2, 2000 and, accordingly, need not be resubmitted in this divisional application. A photocopy of the return receipt post card from the parent application evidencing USPTO receipt of the certified copy of the priority application, is enclosed.

Accordingly, Applicants request a supplemental Notice of Allowability indicating that the certified copy of the priority application has been received in Application No. 09/704,894.

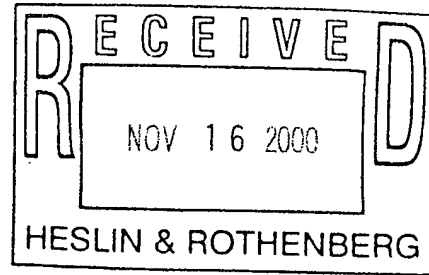

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jeff Rothenberg", written over a horizontal line.
